RFQ documents submitted must be in the order listed for every section in the PREQUALIFICATION CRITERIA CHART and must be prepared according to the prescribed format listed below. Failure to follow these requirements are grounds for disqualification.

Responses must be submitted in a sturdy sealed envelope or transmittal package clearly marked on the outside with RFQ-NFC-03-2024 and the submitting Contractor’s name.

Each numbered criteria section response must include the name of the Contractor on at minimum the first page of each section. The last page of the submission should be a page with only the Contractor name and “End of RFQ Submission.”

Submit one (1) printed original and one (1) EXACT copy of the printed original on a USB Flash Drive in .pdf format. DO NOT SUBMIT A CD INSTEAD OF THE USB FLASH DRIVE. FAILURE TO SUBMIT THE USB FLASH DRIVE IS CONSIDERED GROUNDS FOR DISQUALIFICATION.

The documents submitted on the USB Flash Drive must be in the .pdf format and in the order listed in the Evaluation Criteria Chart Order for Submission of Sections. Do not submit forms or requested information out of order. The USB Flash Drive should be a copy of the original documents, therefore, documents requiring signatures and notarization must have those documents in the USB Flash Drive.

It is the responsibility of the Contractor (Applicant) to ensure that delivery is received at the correct location at the College by the deadline for submission and to ensure that the USB Flash Drive is sufficiently packaged in a secure transmittal package to ensure delivery intact and unopened. NFC is not responsible for damaged or missing USB Flash Drives.
